

Accidental Heart

In January of 2013, I was attempting the pattern for “Priscilla Yoke Ear Rings” provided by Elain Gan on her blog: <http://tattingpatterns.blogspot.com/> when I was distracted by conversation and accidentally connected a ring into the wrong location. Since I didn’t realize my mistake until I was ready to connect the next ring, I decided to keep it and mirror it on the other side. The result was a heart shape I like quite a bit. The pattern for the original medallion can be found in Priscilla Yoke Book by Georgette Batt (for a pdf copy visit: <http://www.antiquepatternlibrary.org>) on pages 32 and 33.
